Mother Gains Custody Of Daughter, 17

Over the tearful protests of pretty, 17-year-old Elizabeth Schumacher, Burlingame high school girl, Judge A. R. Cotton Monday ordered her to custody of her mother in the climax of a torrid divorce case in superior court this morning. The judge ordered the father Henry C. Schumacher, to pay $100 monthly temporary alimony to his wife, Mary, pending outcome of the trial.

The girl left the courtroom in tears after the judge gave custody to the mother. George Larrouy, attorney for the husband, offered to put the girl on the stand but the judge was adamant. Larrouy contended she should be placed in custody of her grandparents.

The Schumachers who live in Burlingame, were married in 1923 and separated last month. He is a partner in a Belmont butcher shop.

James Kehoe Named S. M. Councilman

James J. Kehoe, San Mateo real estate and insurance broker and candidate for county tax collector, was elected to succeed Martin Poss on the San Mateo City Council Tuesday night. With Kehoe's appointment, the council was brought to its full strength of five members for the first time since May 4.

Warren Rules Smith, Witt Qualify

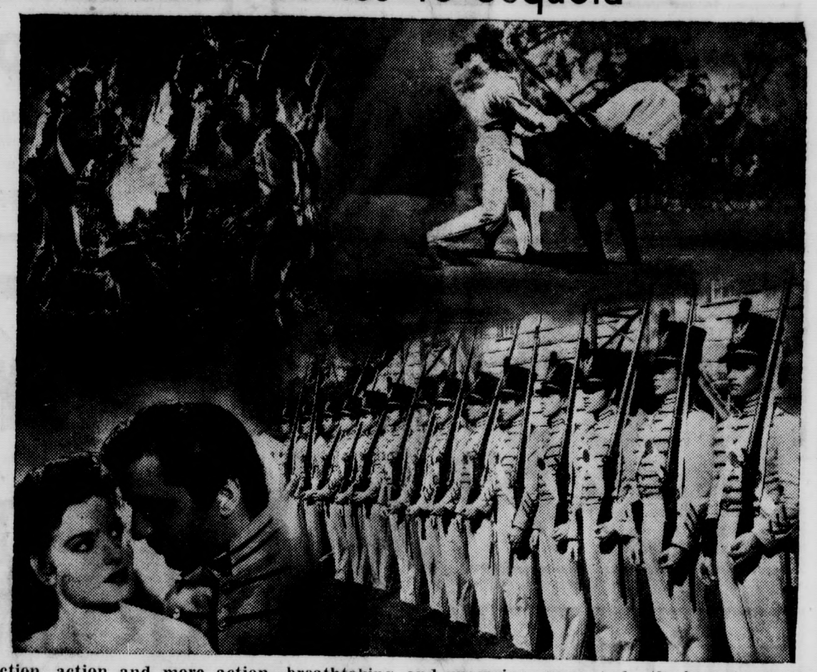
Atty. Gen. Earl Warren Monday ruled that Hugh H. Smith and Albert Witt Jr., candidates for the office of county executive, had qualified for the ballot despite protests of Atty. Joseph J. Bullock that their nomination papers were improperly filed.

Bullock contended the two candidates should have filed not only for executive but for county purchasing agent, ex-officio addition to the executive's duties.

The ruling, Ferrell disclosed, coincides with his own views.

(Editor's note: Ray Spangler, representing the Tribune, called twice at the county executive's office today. First call found the executive in conference. The second brought the telephonic advice, through the executive's secretary, that there was no news.)

West Point Comes to Sequoia



Action, action and more action—breathtaking and unceasing—seems to be the keynote of "Ten Gentlemen From West Point," 20th Century-Fox's turbulent story of the Academy's most critical days, coming to the Sequoia Theater Sunday, with George Montgomery, Maureen O'Hara and John Sutton cast in the lead roles.

County May Vote Police Pensions

Tentative approval of a pension system for retirement of peace officers in county employ was given by the board of supervisors Tuesday with a provisional appropriation of $1000 to finance the county's share of the cost of the plan from January to July, 1943.

The appropriation was made at request of Atty. Edmund Scott of Redwood City, who explained that the pension system would be limited to deputy sheriffs and constables who have served the county 20 years and who have either reached the age of 60 years or who have been disabled in line of duty.

The officers would contribute from 4 to 10 per cent of their salaries, depending upon the amount of compensation and their age.

Scott said he anticipated that if the plan becomes effective, Constables Fred A. Simmons of Half Moon Bay, Maurice F. Boland of San Mateo, and Ferguson Owen of Burlingame would be eligible for retirement Jan. 1. Dep. Sheriff Adolph Waldeck also might be retired for physical disability, Scott said.

In voting the $1000, the supervisors said a definite decision on the pension plan would be reached before final adoption of the budget.

In other transactions the board:

Approved establishment of three Coastside pea pickers' camps.

Voted $1352 for war risk insurance on county property.

Annexed certain Mission Rd. property to the Colma Lighting District.

Purposes Of Militia Outlined

The members of the Fremont Rifles, part of the California State Militia, heard at their regular meeting that the main purpose of the militia is to form opposition to the invader until the regular army arrives. To date 38 men have joined the Fremont Rifles.

Commander W. H. Gilson of Menlo Park said that the group will not in any way interfere with the other civilian defense groups. The need of knowing the territory well, for places of protection, and supplies, was suggested by Platoon Sergeant H. Bonney.

Commander Gilson's home, 820 Olive St., is to be used as a reporting center.

Recommended reading for the "Rifles" was "Guerilla Warfare," by Yank Levy. The motto in the book, "caution, invisibility, and surprise," should be that of the Menlo Park group, according to Bonney.

Drills will be held each Sunday from 2 to 4 p.m. in the yard of the Central School. The Menlo Park Gazette office is to be used as a place of enrollment.

Uniforms may be obtained at T. C. Christy & Co., Palo Alto, for $10. The members moved to charge themselves 10 cents each in dues every meeting.

Commander Gilson appointed the following non-commissioned officers: F. C. Spelman, supply sergeant; Robert P. Davis, W. E. Dale, and Leon Acosta, corporals, and H. Bonney, platoon sergeant.

R.C. Man Purchases Year-Old Percheron

D. W. MacDonough of Redwood City has purchased a year-old Percheron from Elmer R. Hanner of Elk Grove it was announced today by the Percheron Horse Association at Chicago, Ill. The stallion has been named Bryndune Juvenal Bronze. He was sired by Bronze, grand champion of the 1929 California State Fair. He is out of Metita, whose grandfather was Edtudiant, grand champion at Michigan and Wisconsin in 1927.

Mother Seeks Leniency For John M. Holmes

That Mrs. Anna Holmes, mother of John M. Holmes, convicted slayer of Wilson Davis McNary in a San Mateo hotel shooting May 3, 1941, is sponsoring an effort to win leniency and possible parole for her son was disclosed today by jurors in the case.

A number of them, it was learned, have sent letters to the State Board of Prison Terms and Paroles asking that Holmes' sentence be the minimum under the law.

Holmes was convicted of manslaughter and entered San Quentin Aug. 26. The law provides a sentence of one to 10 years, and it would be possible to fix Holmes' sentence and parole him at the same time, according to Dist. Atty. Gilbert D. Ferrell.

Ferrell said he had declined to attempt to influence the state board one way or another in the case.

Mrs. Gladys A. Gabert of Redwood City, one of the trial jurors, disclosed that Mrs. Holmes approached her about two weeks ago with a statement for her signature. Mrs. Holmes said then, according to Mrs. Gabert, that the state board had received letters from four jurors who had held out for acquittal, and had insisted on learning the views of jurors who stood for conviction.

Mrs. Gabert was informed that Holmes, self-blinded after the hotel-room shooting, had devoted his efforts to writing at San Quentin, but that none of his stories would be submitted for publication until after his prison term is fixed.

McNary, a Pendleton, Ore., resident and distant cousin of U. S. Sen. Charles L. McNary of Oregon, had registered at the San Mateo hotel the night before the shooting. Apparently Holmes entered the hotel room, shot McNary then turned his heavy service pistol on himself. He failed to kill himself but lost his sight forever. The shooting was attributed to jealousy over a wealthy Hillsborough widow.

Jurors were virtually unanimous in their opinion that Holmes, who held a reserve commission of captain, had punished himself sufficiently for his crime.

Mrs. Marie L. Tamulenas of Burlingame said she had signed the statement to the parole board, as had Mrs. Margaret Brownlee of Millbrae.

EAT NUTRITIONAL FOOD

The good old Yankee custom of putting up food for the winter is being practised throughout the land this summer. No doubt you too, will be filling pantry and cooler shelves while orchard and field crops are plentiful.

For fruits and berries the shortage of sugar is not too serious a check. Some berries can be put up in natural juices without sugar. Or you can stretch your sugar allotment by the use of honey for sweetening. Jams and jellies or syrup for fruit can be made with all honey or half honey and sugar.

For vegetables do not trust old methods for cold or hot pack. Seek the latest and safest methods from the U. S. Department of Agriculture, your State Extension Service or this company's home economists. It is wasteful and dangerous to can vegetables by improper methods. Food is a munition of war. Buy it right. Cook it right. Can it right.

County Roll Reaches All-Time High

When the board of supervisors Monday began daily hearings as a board of equalization to hear complaints against the assessment roll, County Assessor Martin J. Flynn disclosed that the roll had reached the all-time high of $133,230,727, a record gain of $7,548,674 above last year. The figures include $13,748,140 in operative (utility) properties assessed by the state.

Total of real and personal property assessed by the county was $119,482,587 including $2,722,070 in unsecured personal property, $140,060 in Veterans Welfare property, and $739,277 in solvent credits.

SHOW GAINS

Largest assessment gains were recorded in San Carlos (19.13 per cent), South San Francisco (16.12 per cent) and San Bruno (13.84 per cent). Redwood City's assessment was $8,424,155, and increase of 5.38 per cent. Burlingame was up 3.40 per cent to $13,136,535.

Other cities (percentage increase in parentheses): Atherton, $5,314,960 (1.60); Belmont, $1,336,875 (8.40); Daly City $4,426,905 (3.35); Hillsborough $11,288,400 (.02); Colma, $535,630 (-2.0); Menlo Park, $2,589,220, (6.63); San Mateo, $19,163,695 (8.30).

The unincorporated areas increased to $81,450,150 in assessed valuations, 1.90 per cent.

Flynn pointed out that South San Francisco's increase was caused in part by higher valuations on the personal property or equipment in industries there.

United Air Lines plant at San Francisco Airport on land it does not own, and the Permanente Corp. shipping facilities at Redwood City were factors in increasing the unsecured property roll by more than half a million, Flynn explained.

Only notable decrease was in solvent credits.

The percentage of increase in value of property assessed by the county office was 5.44 compared to 4.50 last year.

Rigid rationing in Shanghai, China, has developed a bootleg gasoline trade, the Department of Commerce says.

R.C. Citizens Buy $803,045 Worth Of Bonds, Stamps

Since Dec. 7, Redwood Cityzens have bought $803,045.50 worth of United States War Bonds and Stamps, it was announced by Daniel E. O'Connell, member of the local committee.

This sum includes $732,743.75 in "E" bonds and $70,301.75 in stamps, he said. In addition to this, there have been many thousand dollars worth of "G" bonds sold, but figures are not available yet on the exact amount.

O'Connell reminded local residents who have not yet signed pledges to purchase the war bonds and stamps regularly that cards are available at the booths in the county courthouse and the city hall and also at the four local banks. More than half a million dollars in purchases have been pledged already, the committee's report last week disclosed.

'Pride Heads List of Sins'

In the first of a series of sermons to be preached in the Redwood City First Baptist Church's "Summer Offensive for Christ," Rev. Rowland T. Edgeworth Sunday told of the seven most deadly sins that debase humanity, as agreed upon by the scholars of Christendom after centuries of discussion.

"It is significant that five of these seven are sins of the spirit," Reverand Edgeworth stated.

"Pride heads the list of these most subtle and worst of sins. 'By that sin fell the angels,' Milton declared.

"Herein lies the fatal danger of pride—it prevents spiritual progress. If a man is not aware of his need, he will make no effort to improve himself. He will never be saved until he sees himself in need of salvation. The great redeeming love of God is powerless in the presence of the proud person, wholly satisfied with himself.

Pride frustrates the grace of God; it stays the hand of mercy, for the proud the Savior has died in vain. Jesus sought by the hammer-blows of His righteous indignation to shatter the thick walls of pride behind which they lived in snug contentment.

"Respectable Sinners" was the topic of Reverand Edgeworth's sermon, and his text was Matthew 16:6.

A Story of War—And War Bonds

Suits for $20,000 Filed in Court Here

Thomas J. Feeney of San Francisco had been named defendant in superior coutr damage suits totaling more than $20,000 in superior court at Redwood City today. Philip and Bernice Blub of San Jose asked $10,459.78 for her injuries and for damages to their car. Mary A. Daly, mother of Mrs. Blum, sued for $10,542.45 for her injuries.

Blum charged that Feeney, driving a state car, was guilty of negligence when it collided with Blum's vehicle at Seventh Ave. and Bayshore Hwy., San Mateo, Mar. 24.

'More Speed Needed'

New methods of fire control center operations will be tested tomorrow at 7:45 p.m. when the fire department auxiliary, under the direction of Chief Mark E. Ryan, will hold a citywide air raid fire drill.

Ryan said today that since the last test when it was found that messages were delayed in the center because of noise and confusion he has installed a desk on the second floor of the fire house for incoming calls and made arrangements so that only outgoing calls on department private lines are handled on the first floor.

Calls for assistance will come to the department from Civilian Defense officers in the control center in the City Hall. After information is noted on prepared forms by women workers it will be dropped to the fire chief on the first floor by means of a chute and he will decide which of the six companies stationed throughout the city will answer.

His orders will be sent by women workers on the first floor.

"What we must obtain," the chief said, "is more speed. We hope to put equipment at the scene in four minutes from the time the call is received."

Firemen in London have reported, he continued, that a great percentage of incendiaries set are roof fires and that the only way to combat them was to arrive soon enough to stop the fire before it gained headway.

"In London they have found it necessary to bypass the fire department through every other emergency vehicle including ambulances," Ryan claimed.

Thousandth P.G.& E. Man Joins Service

The thousandth P. G. and E. man joined up with Uncle Sam yesterday. He is William J. Hickey, aged 26, of 1079 Tennessee St., San Francisco, and he entered the navy as a boatswain's mate second class. He donned the uniform exactly three weeks after his marriage to Miss Sylvia Ritt, also of San Francisco.

SULLIVAN RETURNS HOME

Daniel E. Sullivan, assistant district attorney who has been ill at Mills Memorial Hospital since June 30, has returned to his home in Menlo Park and expects to return to his office early next week, it was announced at the district attorney's office today.

S.F. Man Denies Rape Charge

Arnold Stillobower, 30, San Francisco teamster accused by Mrs. Florence Bailey, 20, also of San Francisco, of rape entered a plea of not guilty in superior court yesterday before Judge A. R. Cotton. The case was continued one week to set for trial.

Edward Gibeau, one of three 19-year-old San Francisco youths accused of stripping a car in South San Francisco, entered a plea of not guilty. One of his companions, Manuel E. Ovalle, was arraigned and given until tomorrow to enter a plea. The third youth, Dan Kotsetas, failed to appear.

Hearing of a motion by Alvin L. Scott, South San Francisco shipyard worker accused of killing his 18-month-old stepson, was continued until tomorrow.

Front Floor Mats Are Not Requested, Chairman Says

Only certain rubber fixtures on automobiles not including the front floor mat—are being requested by the San Mateo County Salvage Committee, it was pointed out today by Theodore M. Lilienthal, chairman.

Lilienthal revealed that he had conferred with Ned Burnham, petroleum co-ordinator for San Francisco and San Mateo Counties, and had learned that only back mats should be given up. Specifically, these include the rubber mats back of the seat in a coupe and the rubber mats of the baggage compartment in both coupes and sedans.

Front floor mats should not be taken up because they are so difficult to replace with other materials, Lilienthal announced. They are needed in the car because the under side of the mat has a material especially treated to counteract gasses rising from below.

His committee was "not demanding the impossible of the public in the rubber drive, but was urging the contribution of non-essential items," Lilienthal emphasized. He added that the committee was "trying to be honest" with the public regarding what rubber items should be contributed.

E. F. Green Transferred To Red Bluff Store

Emmett F. Green, assistant manager of the Montgomery Ward store here for the past four months, has been appointed manager of the Red Bluff store and left this afternoon with his family to take his new position. His successor locally has not yet been named.

Ravenswood District May Have Ration Office

Residents of the Ravenswood school district who have grown footsore and weary waiting for sugar permits at the overcrowded office of the Redwood City rationing board can take heart. They may soon have a branch office at the Ravenswood School.

J. H. Stubbe said today he had been assured by Ralph Dodge, chairman of the Redwood City board, that plans were in the making for an office in the East Palo Alto district. If Stubbe's suggestions are worked out, it would be open three days weekly for three hours a day, at least. A trained worker from Redwood City would be in charge of a volunteer staff.

'42 ICE FOLLIES OFFER COMEDY

Comedy of a new type is presented by Shipstad and Johnson in their all-new Ice Follies of 1942, now showing nightly at Winterland in San Francisco.

For the first time on any ice surface, a group comedy number, "The Daffy Drafters," is offered in the latest edition of the world's greatest musical revue on ice. It brings together a cast of ten in a hilarious pantomimic skit that portrays the trials and tribulations of eight confused neophytes in Uncle Sam's armed forces, as they answer their first reveille.

A squad on skates is something new under the sun and might well be recommended to the War Department to take its place beside the new ski-troops and parachute batallions that have lately been added to the army.

Mass comedy is one of the most difficult arts in the entertainment world. It requires perfect synchronization and timing so that the gag or gesture of one participant does not nullify or detract from the actions of the others. It took more than three months of solid rehearsal to perfect the new "Daffy Draftees" routine.

Taking part in the comedy number are Bud McNulty, who acts as the drill sergeant; Bobby Blake, Kenny Robertson, Olav Ericsen, Johnny Kinney, Bill Stine, Jimmy Tancig, Bill Hart and Karl Zwack. Portraying the army hostess in the skit is Marjorie Lang, who is one of the 42 Ice Follettes.

The climax of the number, a surprise, is fast and laugh-provoking.

Another special daytime showing of the complete night program of the Ice Follies, with all of the 103 international stars appearing, has been announced for Saturday, July 18.

The matinee will start at 2:30 p.m.

Local Firm To Rent Autos--With Tires

While the motorist's ears were ringing with talk about confiscation of tires, one Redwood City firm had apparent faith in the future when it announced start of an auto and truck rental service. The Weltner Motor Co. said it could offer to motorists who have tied up their own vehicles, nearly two dozen practically new automobiles on a rental basis, with assurances that the rubber was practically new and there were no extraordinary restrictions upon the uses to which the vehicles might be put. An equal number of trucks is available, according to George Andrews, business promotion manager of the firm.

Event Ends Weekend Fete

SAN CARLOS—More than 1000 persons were on hand to witness the exhibitions of horsemanship and awarding of prize money, trophies and ribbons at the roundup staged on Portola Mesa at the H-H Ranch Sunday terminating the weekend Independence Day activities sponsored by the City of San Carlos.

Biggest event of the afternoon was the open stock horse event judged by Don Evans of the Oakland Riding Academy. First prize winner and recipient of a trophy donated by Mr. and Mrs. A. H. Safford of San Mateo as well as prize money was Dan O'Neil of San Mateo, while Don Dodge placed second. Winner in the junior open stock horse class was 9-year-old Joan Fry of Redwood City and Tommy Taylor, second. Johnny Olsen donated the first prize trophy and the H-H Ranch the second.

Carmen Coad of the East Bay, judge in the pinto showing, gave a demonstration of working cattle without halter, rope or bridle.

Redwood City Ranks 33rd in Per Capita Debt

Redwood City with a bonded debt of $663,218 and a per capita debt of $53.26 at June 30, 1941, ranked 33rd from the highest among the 284 California cities in per capita debt, analysis of the indebtedness of California cities, completed today by California Taxpayers' Association, shows.

Debt payments of the city amounted to $21,321 for interest and $59,988 for redemption, the association found.

Payments on bonded debt are the only place where government expenditures cannot be reduced to meet war conditions, the association declared. After a debt has been voted by the people and the bonds have been issued, payments of interest and redemption must be met when due until the debt has been wiped out. However, debt payments are only one of the expenditures of city and other governments.

Edmund Scott Heads Local Warren Campaign

Edmund Scott of Redwood City, former district attorney, today headed a non-partisan group in the San Mateo County "Warren for Governor" campaign. Vice-chairman of the committee is Thomas P. Tallon of Daly City and secretary is Howard A. McHugh, commander of Old Glory Post, VFW, in Daly City.

The committee includes 89 Democrats and 25 Republicans. The Republican members include Mayor Floyd D. Granger, Atty. Lee T. Ross, Redwood City; Mrs. H. C. Stearns, Atherton; Merritt Hosmer, James B. McKeon and William H. Penaat of San Carlos and J. T. McLellan, Woodside.

Exchange Club Pays Dinner Debt to Lions

Lions Club members Tuesday night were hosts of the Exchange Club at a joint dinner meeting at the Cafe de Paris as a reward for winning a recent saftball game from the Exchange members.

Approximately 50 members of each club were present. Albert J. Terremere Jr., Exchange president, and Dr. Wesley Taylor, Lions president, presided over the informal affair.

Mrs. Lesseman Denies Warren Affiliation

Mrs. A. L. Lesseman of Redwood City, prominent Democratic worker whose name was listed Tuesday as one of 89 San Mateo County Democrats who have enlisted in the non-partisan committee for Warren for governor today denied her affiliation with the group.

Mrs. Lesseman declared that she had never abandoned her party and would stay with it and its candidate now.

Smoke From Vetch Fire Seen for Miles

Smoke seen by some residents of the Redwood City area yesterday afternoon, apparently issuing from a spot down the Peninsula, was caused by a fire which burned between 20 and 30 acres of vetch on the old aviation field at Stanford.

Five fire trucks, from Stanford, Palo Alto, and Santa Clara County, answered the call.

CALLED TO WASHINGTON

A. G. Lang of 1107 Hamilton Ave., Palo Alto, chief engineer for the Pacific Portland Cement Co., has been called to Washington, D.C., as consultant in connection with Maritime Commission work.

It takes more than six million dollars worth of thermometers—household, industrial, and clinical—to fill America's needs annually, census of manufacturers reports reveal.

Slayer's Hearing Set For July 15

Warren Cramer, 24-year-old shipyard worker who "didn't give a damn" when his draft board notified him that he would be called from his $325-a-month shipyard job to bear arms for his country, will face a San Francisco court July 15 on charges of slaying Ernest Saxton, 40, Belmont pharmacist.

Saxton, shot in a San Francisco drug store holdup early Sunday, died five hours later. Police picked up Cramer in his hotel room after Saxton had described his assailant in his last few minutes of life.

CAREER OF CRIME

The hard-eyed young man defiantly faced the police "showup" in San Francisco yesterday while Capt. Bernard McDonald recited Cramer's crime career:

"Petty theft at 15, auto theft at 16, breaking and entering, highway robbery, escape from Napa State Home, paroled from San Quentin."

Specifically the record disclosed that Cramer, at 16, set 22 fires in Denver. In 1935 he returned to Oakland with his father, a prominent Oakland dentist. That year he went to Napa for mental treatment, but escaped in 1936 and in 1937 made San Quentin for an Alameda holdup. Three months ago he tried to enlist in the army, but said he was refused.

Cramer said Saxton smiled when he faced the small nickel-plated revolver.

"It's real," snarled Cramer. "This is a real stickup. I mean business."

'HAS TO DIE'

Saxton, according to Cramer, kept smiling.

"Well," Saxton said, "every man has to die sometime."

He walked toward Cramer, the criminal said, the "toy gun" went off and Saxton fell, mortally wounded.

Earlier Cramer had shot Grocer Harry Vourlis at 134 Mason St., San Francisco.

Judge Thomas Predergast continued hearing of the four counts against Cramer until July 15 to allow police to determine whether he committed any other crimes since his parole from San Quentin.

Funeral services for Saxton were held in San Francisco this afternoon.

San Mateo County Has Second Lowest Per Capita Cost in State

Progress

Annual Amount Per Citizen Is $21.78, Report Shows

Indication that San Mateo County government is operated on a sound business basis was shown today in publication of the per capita cost of government figures for all counties by the California Taxpayers Association.

The report shows that San Mateo County maintained its place as having the second lowest per capita cost of government in the state, being edged out for first place only by Solano County.

The annual per capita cost for each citizen of the county as shown by the report is $21.78.

1940 CENSUS BASIS

Fred Beer, chairman of the board of supervisors stated today that the per capita cost was figured on the 1940 census and that if the present population as learned from the sugar rationing records were used the per capita cost would drop down to approximately $17, which would make it the lowest in the state.

At the same time, members of the board indicated that despite heavy costs of Civilian Defense and election costs for the coming year that a reduction in the tax rate will probably be effected in the 1942-43 budget. Public hearing on the budget is scheduled for July 21.

In comparing San Mateo County's operating costs with other county governments a chart of counties in a comparable population bracket with San Mateo County was taken which shows the following result.

Rank From Lowest	County	Per Capita Cost
2nd	San Mateo	$21.78
6th	Tulare	25.30
7th	Contra Costa	25.49
10th	Monterey	27.36
19th	Stanislaus	30.95
24th	Riverside	34.19
28th	Santa Barbara	36.73
31st	Ventura	37.95

PROGRESS

It was shown by the report that many counties showed heavy increases in their per capita cost over a five-year period, but that San Mateo County, which was in eighth place in the state five years ago, is now in the second lowest place, indicating excellent progress, members of the board stated.

"It is the desire of the board of supervisors to continue to lower the cost of county government and get San Mateo County into the position of having the lowest cost of government and at the same time provide citizens with a real return for their tax dollar," Chairman Beer stated.

He stated that the San Mateo recreation system has been acclaimed through the nation as one of the finest programs ever developed and that the health and sanitation service of the county was also recognized as outstanding, as well as all other departments of the county government.

Housewives Urged To Save Fats, Grease in New Drive

Another step in America's "Salvage for Victory" campaign was taken Wednesday when Redwood City housewives will be asked to donate their fats and greases to the government.

Theodore Lilienthal, chairman of San Mateo County's salvage committee, and Frank A. De Patta, head of the Redwood City group, joined today in urging women to save their pan drippings, meat fats, etc., and to turn them in to their butchers for use by the government.

The drive has the indorsement of Earl Schmidt, president of the Peninsula Meat Dealers Association, and Ed Michelsen, secretary of Local 516, Butchers Union.

Housewives are warned to keep the fats and greases in tin cans only, since paper or glass containers are not acceptable. If convenient, the fats and greases should be kept separately, Lilienthal said. Hotels, restaurants and other institutions have been asked to join in the countywide campaign, which will continue for the duration.

Butchers will not pay anything for the fats and greases, since the amount they in turn will receive is so small per pound that there will not be sufficient margin. However, all money collected by the meat dealers from the sale of accumulated donations will be turned over to the county salvage committee, which will divide the proceeds between the USO, Red Cross, Army Relief, Navy Relief and other service funds.

San Mateo Point Is Official Name

Request of the San Mateo Chamber of Commerce to change the name of Coyote Point, site of the U. S. Maritime Academy, to San Mateo Point brought from County Engineer M. A. Grant today the disclosure that the proper name has been San Mateo Point all along.

Referring to official county and U. S. Coast and Geodetic Survey maps, Grant pointed out that the name always has appeared as "San Mateo Point" or "Point San Mateo."

On a Bowie Estate map the wooded knoll at the point is labeled "Coyote Hill" and on one U. S. S. & G. S. map the wooded portion is named "Big Coyote Knoll." The name of the point, however, has always been San Mateo, Grant said.

Body of Jack Merrick, Belmont Youth, Found

The body of 19-year-old Jack Merrick of Belmont was found on the beach one mile north of Half Moon Bay at 3:30 o'clock Tuesday afternoon.

Merrick, a San Francisco newspaperman, drowned June 21 while surfboarding at Miramar Beach. His companion, George Thompson, saw him call for help, but was unable to reach him in time.

Ben Nichols of San Jose discovered the body which was taken to Dutra's Funeral Home in Half Moon Bay. It was identified by the boy's father, Jack C. Merrick, 2035 Monroe Ave., Belmont, a department head in a San Francisco produce firm.

Merrick was a graduate of San Mateo Junior College and Balboa High School in San Francisco.

He is survived by his father, a brother, James, 13, and an aunt, Mrs. R. L. Huhle of Butte, Mont., and his stepmother, Mrs. Helen Merrick.

Edmund Scott Heads Port Commission

Atty. Edmund Scott is the new chairman of the Port of Redwood City commission following an election held Tuesday night by the commission.

Other officers elected are Ralph Morser, vice chairman, and Elmer Hurrell, secretary.

The commission last night decided to grant the five employes of the port a 15 per cent war bonus wage increase in line with Redwood City bonuses granted civil employes.

Heard at the meeting were reports concerning the proposal by a shipbuilding firm to construct a cement barge building plant on land the commissioners hold option to. Scott said this morning no decision had been reached pending notification from the company whether it had obtained a government contract to build the barges.

New Hours Set For Park Pool

Opening of the Flood Park swimming pool daily except Monday from 12:30 to 7 p.m. was announced today by the San Mateo County Recreation Commission after hearing reports Tuesday that the pool is already self supporting.

The pool has attracted a minimum of 300 persons and a maximum of 1500 daily, the commission announced, and proceeds have ranged from $40 to $165 per diem. Soldiers are admitted free.

So many children have requested free swimming lessons that the classes have been divided, the girls meeting on Wednesdays and Fridays, the boys on Tuesdays and Thursdays. Adult classes will be started Tuesday and Thursday evenings. Miss Rosa Bloxham, Sequoia High School, is instructor with two aides.

Request of Burlingame Police Sgt. Lawrence Furio for an area suitable for a target range to supplant the one closed at San Mateo Point when the navy started construction of its maritime academy was referred to Recreation Commissioner Earl P. Wilsey.

School Districts Lead In Property Tax Levies

Of the $5,111,499 in property taxes levied in San Mateo County for the year which closed on June 30, a total of 22.9 per cent was for general city taxes, 30.5 per cent was for county purposes, 41.5 per cent for school districts, and 5.1 per cent for special districts, an analysis of property tax levies in California counties, made public today by California Taxpayers' Association, shows.

A total of $1,172,222 was levied for general city purposes in the county, $1,559,456 was levied for county purposes, $2,120,712 was levied in school taxes including school bonds, and $259,109 was levied in special district taxes. Special city district tax levies are not included, the association stated, no data being available.

George Jessel Returns to S.F.

Vaudeville in a new, streamline, modern form is the rage of New York and other Eastern cities. This new version is a vaudeville revue, made up entirely of headliners, with a swift pace that offers just the type of clever, bright entertainment we all crave today.

On July 13, Fred F. Finklehoffe will present such a Vaudeville Revue "Show Time" at the Curran Theater, San Francisco, with a group of brilliant stars heading the cast, direct from New York.

George Jessel, master of ceremonies for the show, has starred in vaudeville, musical shows, drama and pictures, and is known to thousands for his telephone conversations with his "Mom" on his radio program: Jack Haley is the clever comedian of stage and screen who always seems to be the Patsy; Ella Logan is a Scotch lass who sings a "mean" song and has "a way about 'er;" Kitty Carlisle has made her mark in operetta and drama as well as musical films; while the De Marcos are famous from coast to coast as the country's outstanding ballroom team.

Featured with these stars will be Buck & Bubbles, Olsen & Shirley. Lucienne & Ashour, and Con Colleano.

There will be matinees as well as evening performances every day including Sunday; and two special performances, on Saturday at 11:30 p.m., and in Sunday at 5:30 p.m.

Prices: Monday to Friday nights: 55c, $1.10, $1.65, $2.20

Curtain at 8:30. Two performances on Saturday night at 8:30 an 11:30: 55c, $1.10, $1.65, $2.20, $2.75. Sunday night at 8:30, same prices as Saturday night.

Daily matinees at 2:30: 55c, 83c, $1.10. Extra matinee on Sunday at 5:30: 55c, 83c, $1.10, $1.65.

1300 Telephone Men In Military Service

Acknowledgment of the splendid co-operation shown by telephone users in helping the telephone industry to meet unprecedented wartime demands in the face of restrictions necessary to save materials vital to the war was expressed today by N. R. Powley, president of The Pacific Telephone and Telegraph Company, in a report covering the coast-wide operations of the company during the first six months of 1942.

Copy of the report was received here today by M. A. Gooding, local manager of the company, who stated that it also showed that more than 1300 telephone employes are now in military service and that 97 per cent of the coast-wide personnel is purchasing United States War Savings Bonds through the payroll allotment plan.

SAFEWAY Homemakers' Guide

★ *Tips worth reading on menu planning* ★ *A list of foods you'll save money by checking* ★ *What one girl learned about so-called "week-end specials"*

Want to know how to save lots of time in your food shopping?

The answer to the above question is —"Plan your menus ahead of time". Planning meals in advance not only saves you time, money and trouble, it is, today, practically your patriotic duty. For today every minute must count—every meal contribute to health and morale. These few tips suggested by the Safeway Homemakers' Bureau, should help a lot in your menu planning.

Tip No. 1—Plan menus several days in advance, a whole week if possible, so you'll see your food picture as a whole. Then you can check to make sure you've included plenty of variety and a balance of foods needed for good nutrition.

Tip No. 2—For good nutrition, each day's meals should include at least a pint of milk for adults, a quart for children; an egg per person, or at least 3 to 4 eggs a week; some enriched or whole grain bread or cereal; a tomato or citrus fruit or their juices; another serving of fruit; at least two servings of vegetables besides potatoes, one preferably green, leafy, or yellow; a serving of meat, fish, chicken, or sea food; some butter or vitamin A fortified margarine; and whatever desserts and special treats you like.

Tip No. 3—Even the best food tastes better served attractively. Be sure to include in every meal a pleasing contrast of shapes, colors, and textures, as well as contrasting temperatures and flavors. A well-known nutritionist has said that if you are color-conscious and include food that's white, green, yellow, and red in each day's menus, your vitamins and minerals will take care of themselves.

Tip No. 4—Plan menus on a regular, definite day in the week, whenever's most convenient for you, and allow yourself plenty of uninterrupted time to do a really good job.

Tip No. 5—It's more fun to plan meals when you're a little hungry, and your ideas may be better then, too.

Tip No. 6—Many homemakers find it easiest to plan breakfasts for the week first, next dinners, and finally lunches or suppers. This scheme lets you check over breakfast and dinner for each day before planning the third meal, so you can make sure it completes the nutritional picture.

Tip No. 7—Decide ahead of time how to serve any leftover foods (with careful planning you won't have many) in appetizing guise.
